Dear Lorinda:

We can't thank Orange County Chapter of ARMA enough for participating in our Hope for the Holidays campaign and adopting the Lopez family this year.

It is especially difficult for our clients to meet even their everyday financial needs and the holidays add an extra financial and emotional challenge. By adopting this family, *you made their Holiday Season really special!*

We are grateful for the generosity of the companies and individuals that participate in the Adopt-A-Family Program. Your support is crucial to the success of the program and we look forward to working with you again.

Sincerely,

Linda Dryden
Adopt-A-Family Coordinator
